

McKEE HOMES

Welcome to McKee Homes.

Re: COVID -19 – Showhome Policies

The safety of our clients, the public, and our employees has always been of top priority to McKee Homes. With the recent COVID-19 outbreak the following showhome safety policies have been implemented that we would like you to be aware of:

- We ask that if you or anyone in your home is currently ill or has traveled in the past 14 days that you allow us the opportunity to assist you remotely by providing your contact information in order that we may follow up with you. Please do not attend the showhome.
- To do our best to maintain social distance, we are limiting access to the showhome, and only **ONE** group will be permitted entrance at a time. We appreciate your patience with this. If you would prefer, you may email the Area Sales Manager to organize an appointment in advance.
- Please use the hand sanitizer provided to you upon entering the sales center, and do not touch any surfaces.
- For the protection of everyone, all common surfaces are being sprayed with disinfectant on a daily basis.
- We **welcome** you and thank you for visiting, but will be refraining from our customary greeting of the handshake at this time and will practice social distance measures as recommended by government in our showhomes.
- We are able to work entirely remotely with you – from virtual 360 degree tours of our showhomes, to guided video tours, to sharing of the features of our homes, plan modifications, pricing, and all needed document signing, we are able to serve your needs without in-person contact.

SHOWHOME HOURS as of August 1st, 2020:

Monday – Wednesday from 2:00pm to 8:00pm

(4:00pm to 8:00pm in Crossfield)

Saturday – Sunday from Noon to 5:00pm

Thank you for helping us to do our part to contain the COVID virus and keep everyone's family safe.
